

PARKING OPTIONS FOR THE HEALING ROOM

We have a standing zone outside. Clients can leave their flashers on and place a Healing Room sign on their dashboard.

If the standing zone is full or clients don't want to leave their flashers on, below is a general guide to parking in the area. Clients should still check signs for loading zones, rush hour restrictions etc. before parking. The map is current as of April 2011.

- STREET PARKING
- AFTER 5PM OR BEFORE 9AM
- BEFORE 3PM
- METER PARKING
- AFTER 6PM
